

Learning Center Donation Form

The First Tee Mission is to improve the lives of young people by providing learning facilities and educational programs that promote character-development and life-enhancing values through the game of golf. The First Tee of St. Paul is a 501(c)(3) nonprofit organization that relies on the generous donations from individuals & corporations.

The First Tee equips young people for the most important game of all – life! Please join us in raising funds to build a Learning Center as a permanent home for the First Tee St. Paul. A facility located at the Highland National Golf Course driving range will provide a safe shelter for the kids during poor weather conditions, a year-round classroom area to provide a better atmosphere to teach the Life Skills portion of the program, office space and storage areas for the The First Tee of St. Paul Chapter. All of which are needed to continue to support and grow the program and accommodate more St. Paul youth to join the program. The First Tee of St. Paul has given over 1200 junior's lessons since 2005 and over 300 scholarships for juniors that need financial assistance.
